**JOVANA
MILOVANOVIC**
WATER POLO *Delfina*

Jovana is not just a pretty face but also a Serbian National Team member who competed at the 2016 European Championships in Belgrade in addition to another two junior European Championships. With 7 National Championships across 2 clubs, Jovana has made winning look easy and can also add the 2015 World University Games in South Korea to her sporting CV.

**ZLATKO
RAKONJAC**
WATER POLO *Delfina*

Zlatko was born and raised into the prestigious Red Star Belgrade Water Polo Academy, progressing through their junior ranks right up to the senior team. He represented Serbia at junior level before defecting to Macedonia for Senior representation. He has forged a successful playing career across Serbia, Macedonia, Holland and Hungary.

**ALEKSANDAR
NJEHOVAN**
WATER POLO *Delfina*

In addition to his popularity with the fairer sex, Aleksander has built a successful career in the water polo world. From his beginnings in Belgrade with VK Beograd he progressed to VK Vojvodina in Novi Sad, meanwhile being a fixture in the junior National Program of Serbia in numerous World and European Championships. He now plays in the world's top league in Hungary where he plays for the legendary Vasas team.

An aerial photograph of a coastal region. A large, dark blue bay or inlet is the central feature, surrounded by land with various shades of green, brown, and white, indicating different terrain types like forests, fields, and possibly snow or ice. The coastline is irregular with many small inlets and peninsulas.
